## Annual AFS Pancake Feast Sunday Morning, March 18

If you'd like to give mother a rest, enjoy a delicious breakfast, take an armchair cruise to far-off lands, and at the same time support a worthy cause, be sure to save Sunday morning, March 18, for the Pancake Breakfast of the Albany Chapter of the American Field Service at Cornell cafeteria. This annual fund-raising affair is necessary to the maintenance of the student exchange program here, which since 1956 has been responsible for sending eight Albany High School students abroad, while at the same time welcoming six foreign students to this community.

According to Mrs. J. L. Murrow, general chairman, a typical American breakfast of juice, pancakes, ham, milk and coffee will be served continuously from 8:30 a.m. to 12 noon by girls from the Albany High AFS Club. Pat Latvala, club president, and Miss DeVore Watt, High School librarian, are in charge of the volunteer "waitresses"; and Mrs. Edith Jones, lunchroom supervisor, is coordinating the kitchen crew.

This year, the Albany AFS sponsorship includes: Judy Stocking, Albany High junior, who is already in Quintero, Chile, on the Americans Abroad School Program; another junior, Karen Ingethorn, who has been notified by AFS in New York that she is a semi-finalist and may still be placed in a foreign home; Svein Mortenson of Oslo, Norway, who is attending Albany High while living with the E. R. Arneson family at 1128 Masonic Avenue; and Martha Geering, Albany High senior, who has just returned from a six-months stay in Bandung, Indonesia, where she was one of the first few American students to attend school in Indonesia in the native language.

During the morning, those attending the breakfast will have the opportunity to "visit" Norway, Indonesia and Italy in the Cornell School auditorium. Under the direction of John Griffin, last year's AFS Club president at Albany High, a program of slides, movies and talks will be presented on the following schedule: 9 a.m., Svein Mortenson, Norway; 9:30 a.m., Martha Geering, Indonesia; 10 a.m., Malcolm Thornley.

In 1960, Malcolm spent six months in Milan on the AFS School Program. The presentations will be repeated starting at 10:30 with Svein, Martha at 11, and Malcolm at 11:30.

Decorations are being handled by members of the Albany High PTA Alumni Club, under the direction of Mrs. A. E. Anacleto and Mrs. John Zuerner is loaning her collection of dolls from many lands to add to the international flavor of the decor. Guests will be greeted by the Grafton Geerings and the E. R. Arnesons, who are in charge of the hospitality arrangements.

## Ritchie Riggs Winner Of Lions Speech Contest

Ritchie Riggs, daughter of Mr. and Mrs. L. F. Peabody and an Albany High School student, won a speech contest sponsored by the Albany Lions Club at Cerro Square Thursday night.

As winner, Miss Riggs competed in the zone runoff Monday night at Cerro City Club. Other clubs represented included Berkeley, El Cerrito, Kensington and West Berkeley.

Six students competed in the Albany contest, which was under the direction of Robert Dennis, Albany High contestant, were Miss Riggs; Judy Williamson, daughter of Mr. and Mrs. Stanley R. Williamson, and John Porter, son of Mr. and Mrs. Milton Porter. Contestants from St. Mary's were Colbert Davis, son of Dr. and Mrs. Colbert Davis, Carl Butler and Michael Still.

All spoke on the subject, "My Responsibility in a Changing World." Each was allotted 10 minutes for his speech and all were excellent. The boys from St. Mary's started working on the contest Monday and Tuesday of last week under the direction of Brother LaSalle. Miss Williamson, who has been in speech class about a month, was making her first formal speech.

Judges were Mrs. Martha Hood, Dr. Sidney McGaw and Robert Corazza. They judged independently. Each contestant received a certificate of appreciation and \$5.

Introduced by Program Chairman Larry Siler, Dennis conducted the contest and later gave a run-down of Lion projects, financed by the annual sale of light globes and inter-club activities. From July, 1961, to February, 1962, the club has spent: \$200 in donations and shipping expense for clothing and games for a leper colony in the Panama Canal Zone; \$200, Oakland Recreation Center for the Blind; \$194, renovation of its wading pool in Memorial Park (materials only; labor donated); \$500, Albany Senior Center Foundation; \$20, March of Dimes; \$81, YMCA for trampoline and climbing rope; \$25, Christmas basket; \$256, varsity football banquet; \$41, theater tickets for junior varsity football team; \$166, Albany Recreation Center baseball suits; \$100, Albany Youth Committee transportation to Governor's Conference on Youth; \$41, July 4th community activity; \$200, Little League. The total spent for these worthwhile causes is \$2024.

ELIZABETH ANGER  
(Times Photo)

## Elizabeth Anger, Librarian, Former Writer

Elizabeth Anger, who turned her back on a successful career in public relations and newspaper work to become a librarian, took over as librarian at Albany Public Library March 1, succeeding Kathleen Watkinson, who resigned.

A native of Los Angeles, Mrs. Anger attended school there and received her BA degree in psychology and English. She worked for CBS, Mutual Broadcasting Company, the Hollywood Citizen-Jews and Los Angeles County Y Association before she decided that a career in library work would be more meaningful to her.

"I took a year out to make up my mind," she says, "and I realized there are strong public relations aspects to library work plus the opportunity to work with books and people."

During the year she was making up her mind, she worked at the University of Southern California library and loved it.

In 1952, she came to the University of California in Berkeley, receiving her degree in library work in 1954. While there, she worked in the university library and did some editing on the staff newspaper. Then she worked at the library of the Bureau of International Relations at Cal for two and one-half years.

Until coming to Albany, Mrs. Anger was a part time substitute librarian at the Richmond Public Library, working in the reference room, children's room, in the branches and on the bookmobile.

She has two children, David, five and a half, and Susie, almost four.

The new librarian is enthusiastic about her new position, Albany's modern library, the community and her staff.

"I'm just delighted," she said Monday.

## Martha W. Jeans Opens Realty Office on Solano

Martha W. Jeans, long time business woman of Albany, has announced the opening of her own Realty Office at 1258 Solano Avenue.

After eight years of personal service to her clients as an agent of the Harry A. Dunne office on upper Solano Avenue, Mrs. Jeans is well known to many home owners in the area as well as the real estate profession of Albany and Berkeley.

Martha's husband, Joe, will be associated with her in the new venture after completing the necessary state examination.

Residents of San Carlos Avenue since 1939, the Jeans have one son, Frank, a graduate of the Albany School and presently a student at the University of California.

## MAYOR PROCLAIMS AHS BAND WEEK FROM MARCH 12-16

Members of the Albany City Council Monday night authorized Mayor Joe Carlevaro to proclaim the week of March 12-16 "Albany High School Band Week", highlighting a free, public concert to be given by the band beginning at 7:30 p.m. Friday night, March 16, in the high school gymnasium.

Mrs. Carl Fossell, speaking from the audience, said the high school band is "the closest thing we have to a municipal band." It represents the city at various events, she said, adding the AHS Band Boosters are not seeking financial support, merely recognition of the band's spring concert.

The proclamation will be published next week.

In other matters, the Council referred to the police chief the application of Robert Block for an on-call general license for the Contact Club at 663 San Pablo Avenue; referred to Administrative Officer James B. Turner several communications requesting the city to replace the junior traffic patrol boys, and unanimously passed resolutions appointing Mrs. Elizabeth Anger as head librarian and calling for and providing for and giving notice of the city election April 10.

Councilman Paul Boyich abstained from voting on payment of claims and payroll. He suggested an amendment to the resolution on Mrs. Anger to increase her salary by \$50 monthly, finally voted for the resolution with the comment, "It's still wrong at that salary."

Councilman Joel Parker asked about the possibility of Albany obtaining some of the dirt Richmond has announced it wants to give away. Turner said he had inquired about getting the dirt

Assemblyman W. Byron Rumford will be the first in a series of political speakers to appear before the newly organized Northbrae Democratic Club Friday, March 9, at 8 p.m. at the Thousand Oaks School cafeteria.

The new club, headed by Alfred E. Young Jr., as president, is open to all registered Democrats in the 18th Congressional District and to those persons between the ages of 18 and 21 who actively support the Democratic party. The group will meet on the second Friday of each month at 8 p.m. at Thousand Oaks School. Interested persons may contact membership chairman, Margaret Wait.

Other officers are John A. Zoro, vice president; Sharon Miles, secretary, and Norman Faulkner, treasurer.

## Councilman Howell Goes Home From Hospital

Councilman Lewis M. Howell, who underwent surgery last Tuesday at Albany Hospital, was to have been released from the hospital yesterday, according to his wife.

He is recovering well from the operation, but it is not known when he will be able to return to his duties as Park and Shop or the City Council.

for the Albany dump, but that it will cost 70-90 cents per yard for transportation and currently Richmond is hoping to sell it for 15-20 cents per yard.

Councilman Boyich read an ordinance from another city regarding the unlawful use of the telephone to harass or molest others. He said he has received such calls.

Mayor Carlevaro said that while was running for Council and afterwards, he, too, had received anonymous calls. He urged candidates who receive calls of this nature to report it to the telephone company and have them tap the line.

On this subject, R. G. Buckwalter, speaking from the audience, said that anyone who uses the telephone "night and day to harass others is lower than a snake's belly."

The City Attorney was instructed to draw up an ordinance prohibiting harassing phone calls.

Robert Luoma introduced Boy Scout David Lee, who was selling tickets for the Scout Exposition Saturday, April 7, at El Cerrito High School and other locations.

## New Albany Hill Officers Seek Park Site

On February 28 the Albany Hill Association held its annual election of officers at the home of Mr. and Mrs. C. E. Fletcher. The following officers were elected: Chairman, George Ferreira; Vice-Chairman, William Cullery Jr.; Secretary-Treasurer, Loette Fletcher; Corresponding Secretary, Shirley Parr; Executive Committee, Ray Cirmeli and Carl Bremer. The group welcomed Herbert Rubin as a new member.

The urgent need for a park on Albany Hill was the subject of the evening's discussion. A park committee headed by Mrs. Parr was appointed to check into the possibility of receiving financial aid for a park site from the state and federal governments. The committee will also seek assistance from other organizations interested in land conservation for recreational purposes.

The association reiterated its position that every possible means must be explored in an effort to secure a park on the hill while the land is still available. Anyone interested in helping to preserve a part of this area for recreational purposes is urged to contact officers of this organization.

The annual event to select a speaker to represent the area in regional and national contests, featured speakers from many East Bay communities.

**Mrs. Chelemedos Robbed Third Time February 28**

Mrs. Mimmi Chelemedos of 919 Key Route Boulevard is getting tired of being robbed.

She was the victim of the second robbery in her home in less than two years February 28, when someone broke in by prying open the rear door and breaking the latch. Although the house was ransacked, Mrs. Chelemedos believes the only missing item is a 50-cent piece from a vanity.

"Two years ago, they took everything worth anything," she said Monday. "Then last summer, someone stole my purse while I was visiting at the cemetery."

Mrs. Chelemedos paid tribute to members of the Albany Police Department for their quick response to her call.

**AHS Math Classes Visit Calif.**

Mrs. Vineta Bear, instructor of Eighth Grade mathematics at Albany High School, was in charge of two classes of 43 students, who were privileged to be special visitors recently at the California Research Corporation, a subsidiary of Standard Oil Company of Richmond.

E. B. Reid of the Corporation staff, greeted the students and introduced the subject of computers in general and of the operation of the Datatron Computer in particular. The students were then divided into three sections, as Reid, assisted by Dr. G. A. Paxson and C. L. Rimpley, demonstrated the Datatron by preparing a problem and then solving it on the machine.

**Tilden Park Pony Has Third Birthday Party**

A flashy little filly, by the name of "Valentine", celebrated her third birthday February 14 with the traditional ice cream and cake — and a merry-go-round ride at her home in Tilden Regional Park.

"Valentine," born three years ago, will join the line-up of Tilden ponies. Before she begins her career of ride giving to the small fry, her owners, Mr. and Mrs. Harold Loving, decided to give her a free ride — just to get the feel of things.

The party, held in the Birthday Area at Tilden Merry-Go-Round, was planned by carousel operator, Harry Perry. Guests attending the gala occasion included Valentine's mother and father, Dolly and Giner, and her three sisters, Star, Babs and Tinkle.

Although Perry sponsors hundreds of birthday parties each year, "this is the first time we've ever had a Pony Party", he said.

Valentine will join her sisters, this weekend, at the Tilden Park Merry-Go-Round. Rides for the tiny tots will be available between 10:30 a.m. and 5 p.m. every Saturday and Sunday.

# First Charter Financial Hits All-Time High Earnings

An all-time high in earnings was reported by First Charter Financial Corporation for the year 1961, according to S. Mark Taper, Chairman of the Board.

Consolidated net earnings for the year before appropriations to general reserves reached a record \$16,859,798, equal to \$2.46 per share. This represents a 30 per cent increase over the \$12,990,399 or \$1.89 a share reported in 1960, based on 6,860,175 shares outstanding on December 31, 1961. Taper noted that the 1961 earnings increase was the highest ever reported in the company's history.

Assets also reached a peak of \$985,460,343 at year-end, a 28 per cent increase of \$216,406,108 from the \$769,054,235 of a year ago. Savings during the twelve months climbed 27 per cent from \$587,529,804 to \$748,037,797.

Loans outstanding rose sharply to \$876,501,238, reflecting a 31 per cent gain over the \$666,748,126 at the end of 1960.

Taper stated that the recent election of Charles A. Wellman

as President and Director of the company will provide additional strength in management and direction of the company's activities.

Wellman was a member of the five-man housing "task force" which laid the ground work for President Kennedy's multi-billion dollar housing program. He is currently Chairman of California Governor Brown's Senate Reapportionment Committee and was formerly a member of the Governor's Business Advisory Council.

First Charter Financial Corporation owns six savings and loan associations including Pioneer Investors Savings and Loan of San Jose, Home Mutual Savings and Loan of San Francisco, Berkeley Savings and Loan of Berkeley, American Savings and Loan of Whittier, Mutual Savings and Loan of Alhambra, Lancaster-Palmdale Savings and Loan of Lancaster, and owns eleven other affiliated companies.

The financial statement of Lancaster-Palmdale Savings and Loan (53 per cent owned), however, is not included in the above figures.

## Tilden Park Trout Pond Now Open

After being closed for the annual scrubbing and cleaning, the Tilden Park Trout Pond, located in the heart of Tilden Regional Park, has officially opened its 1962 season with a crop of more than 1500 Sierra Rainbow Trout.

Brought to Tilden from the swelling streams near Mt. Lassen, the fish range in size from 6 to 20 inches.

As the trout wiggled into the pond from their temporary home in a chemically treated tanker truck, they unwittingly rolled out the welcome mat for eager fishermen's hooks.

Poles, lines and all fishing equipment may be obtained without charge at the Pond. Trout Farm manager, Charlie Gilleck, announced that "... there's no limit... no license..." at Tilden where the fish will be biting every Saturday, Sunday and holiday from 10 a.m. until dark.

There is never any charge for fishing at Tilden. Fishermen are charged only according to the number and size of their catch. The fresh Rainbows range from 40 cents for the six inchers to \$1.25 maximum for the 3 pounders.

The Trout Farm, a special boon to dads who want to show off their fishing skills to their small fry, accommodates approximately 100 fishermen — of all ages — at one time.

Editor, The Times:

I don't know if we should con-

gratulate Mr. Boyich for his at-

titude towards possible evildoers

or shall we just wonder about

him.

Mr. Boyich is a man who hides

behind the 5th Amendment. Now

he has turned into a perfection-

ist, watching that everything be

done perfectly according to the

city's ordinances and regulations.

And he wants everything done

right up to the time.

I am afraid such an over-right-

eous attitude is just about to

carry the city back into that dis-

graceful publicity which we all

had to endure while Kathie Zahn

was in office.

Every evil should be eradica-

ted at its birth even if it should

look very attractive, which it al-

ways does.

It is my conviction that a city

council should consist of a group

of men who have crystal clear

reputations.

If there is one who hasn't, how

can such a one expect people

who are trying to live as law

abiding citizens to have confi-

dence to elect him to an honor-

able place as the one of a coun-

cilman.
